Earth Day

Electronics Recycling Saturday, April 18, 2015

Recycle your electronics 10 a.m.-3 p.m. on Saturday, April 18 in the parking lot of the Lakewood Heritage Center, 801 S. Yarrow St. The Rooney Road Recycling Center Foundation is hosting this recycling event adjacent to Lakewood's free Earth Day Celebration in the center.

The following are the fees associated with recycling to cover the costs (**cash or check only**):

- \$25 for one computer and one monitor
- Additional cathode ray tube and other TVs/monitors are \$1 per diagonal inch
- Additional miscellaneous electronics are 20 cents per pound

Be assured that hard drives are quickly shredded, and the material does not make its way to a Third World country. For additional information, call Lakewood's Environmental Services Division at 303-987-7190.

Lakewood
Full of Possibilities.
